Judy/Alan that the accounts submitted be ratified and that the payment of accounts
Be accepted CARRIED

MATTERS
ARISING:

We have purchased good supply of stationary, we have also purchased 2 more sets of
boards so that we are able to cope with the teams events.
We need to purchase a computer screen as the ones we have are borrowed, Judy would like
A flat screen as it takes up less room. Ric might be able to help with this through his work.

GENERAL:

Grounds: Craig Harbour has sprayed the grounds and removed the 2 trees that were rubbing
up against the club rooms. THANKYOU CRAIG.

Lessons: The lessons are now finished and our learners will move up stairs with 'L' plates
& cheat sheets this Thursday night.

Midwinter Blues August 30th 1.30pm entry \$7.00 club members only. Raffle started
Jenna to check if she is able to Direct.

Sue Brookes will sponsor this event & will put out another news letter next week.

Area Prs: This Sunday Nick Whitten to Direct, Judy to score.

Ric has had some complaints about the wacky distributional boards we have been getting of
late. Judy & Jenna explained that the dealing is absolutely random. And while we able to
dictate to some extent the type of deals we get this was not a good thing as it takes away the
randomness of the deals.

There being no further business the meeting closed at 7.15pm

Next Meeting October 20th 6.20pm

President.
